### **Low-Cost Travel for the Savvy**

There's never any reason to pay full price when you travel. Even if you book at the last minute, you'll find a cheap travel deal or two if you're willing to do a little sleuthing.

If traveling by air, your first step is to search for air travel deals. Of course, the best thing to do is to book your budget travel airfare early. But even if you're traveling at the last minute, not to worry - you can still score a budget travel deal or two. Many websites will do the searching for you.

Just do a search with keywords such as "air travel deals," or "low cost air travel." You'll find a bounty of sites eager to help you keep costs down. These web services will contact many different airlines with different prices and layover options for you - all you have to do is pick the best that suits your travel budget.

In fact, air travel deals can still be found even just days from takeoff.. Some airlines will lower their ticket prices considerably as the day of departure nears. Sure, such low cost air travel deals may be harder to come by in the middle of the heavy summer travel season, but you're a savvy traveler, remember. Never say never to finding a last minute cheap travel deal.

### **All Inclusive Travel Deals Can Save You Big**

Since you are a savvy traveler, let's not forget about all inclusive travel deals. All inclusive travel vacations are trips where everything - from the airfare, hotels, even meals and drinks are set up and arranged for you before you arrive. Even activities, tips and taxes can be included in all inclusive travel deals.

Rather than putting your budget travel vacation together one item at a time ("Let's see, here's a great budget hotel. Oh, and this compact rental car rate looks good if we keep it for seven days"), when you purchase all inclusive travel deals, in a way you're purchasing your vacation "in volume." The resort or travel service offering all inclusive travel deals get discounts when they bundle all of a vacation's features and sell it as a package. All the better for you. And your wallet.

To find if resorts and hotels at your vacation dream spot offers all inclusive travel deals, perform an Internet search for your destination with the keywords "all inclusive travel deals." You'll be amazed at what comes up.

### **Spring Break Travel Deals**

Perhaps you're a college student too busy studying for exams to have planned out your spring break vacation. Instead of cringing at the thought of getting an angry phone call

from your parents when they receive their credit card statement, check to see if you can get any spring break travel deals. Of course, it's best to research and book early - and buddy up with your friends to keep costs down - because a multitude of travel companies are eager to help stressed college students relax during spring break. In fact, some companies offering spring break travel deals will even **pay you** to promote and sell their offerings on your campus.
